Tennis Club

# WELCOME

At Milngavie Tennis Club we have six all weather courts, three with floodlighting, so you can play all year round. The floodlights are free to use for all members.

If you are interested in Social Tennis, a group of members play most Saturday afternoons from 13:30 onwards and will make you very welcome. Please come down and join in.

If you are looking (or aspiring!) to play competitively, we run five Gents' teams and two Ladies' teams. These cover a wide variety of abilities. General Gents' team practice is a Sunday evening. We also run teams in the Winter leagues. Please contact Shaun Tulloch if you would like to play in any of these teams.

Shaun is the Club Coach and runs an extensive program, catering for toddlers through to the most experienced members. There is always room to improve! Shaun also provides individual coaching, if that is something you might be interested in.

You can contact Shaun on 07850 221397 or [coaching@milngavietennisclub.com](mailto:coaching@milngavietennisclub.com)

# CLUB HISTORY

Tennis has been played at the Club ground at Auchenhowie since 1912, originally on 3 blaes courts adjacent to a lawn and small wooden pavilion building which was shared with Milngavie and Bearsden Cricket Club.

The Club has expanded over the past 50 or so years and focused on coaching activities, particularly for younger players. This has enabled members of the local community to lead a healthy and active lifestyle. Apart from providing a valuable community facility and meeting place, the Club has produced home grown players who have gone on to win Scottish National Titles and represent Scotland and Great Britain at International level.

# COACHING

Our coaching programs run six days a week and all year round. Sessions are available for all age groups and abilities, meaning we have something for everyone!

## Junior Program

We offer multiple sessions at each age group (mini red-U18) giving you the chance to attend one, or more, sessions a week in the junior section. Our coaching is aimed at improving every aspect of your game. We strive to build great balance and coordination, as well as agility, speed, strength and the correct technique on all your shots.

## Adult Program

Our four Rusty rackets classes are our most popular at the club, they are aimed at adults trying to get back into tennis or playing for the first time. It is a great way of meeting new people by getting on court!

## Individual Lessons

Our Head Coach Shaun Tulloch offers individual lessons at the club for £20 an hour. These are a great way of improving your game, working on specific shots and honing your skills.

If you have any questions or queries regarding coaching, please contact our Head Coach Shaun:
